Our Company Profile

Orion Fair is the leading organization company in Turkish Agriculture and Livestock sector which proved its worldwide success in the field of International Agriculture Exhibitions since 1986. Thanks to the decent work done and the high quality service provided by Orion Fair, it got full marks from the participant companies and visitors from all around the world.

In February 12-15, 2015; 708 participant companies represented their brands and 198.000 people visited "Agroexpo Eurasia" International Agriculture, Greenhouse and Livestock Exhibition from 52 countries. Besides, 21 different countries established important business connections by attending B2B meetings during the "5th Import&Export Days" event. As well as providing activities, such as arranging panels and seminars regarding various subjects and organizing agricultural machinery; Orion Fair provided a festival atmosphere for all sector participants together with livestock shows by choosing the most precious animals of Turkey through elections of Live animal beauty contests.

Why Izmir ?

Izmir, located in the west part of Turkey is the third most populous city of our country. Izmir is commonly called the pearl of the Aegean Sea not only because of its beauty but also its industry, trade, culture, health, education, tourism and transportation. Consequently, the city plays a vital role in Turkey's economy. Izmir is the most well-developed city in terms of Agricultural Livestock Sector. Adnan Menderes Airport, located 16 km. south of Izmir, serves as an international airport. Visitors can also travel around the city by means of buses, subway, ferryboats and taxi.

- Free entrance to the Exhibition Center
- Free *B2B meetings
