Istanbul Kids Fashion is the central business and order platform for the Turkey and international retail trade in children's and baby fashion, shoes and accessories products. The event is held twice a year - January and June. In January, the event is co-located with the Istanbul International Children Baby Maternity Industry Expo (CBME Turkey) and in June, as CBME Turkey Istanbul Kids Fashion. It is the must-attend event for buyers looking to find good quality products and reliable sourcing partners.
