Dear Sir / Madam,

It's the right time to take your place in 84th İzmir International Fair because you still need to increase your share in Turkey's economy.

İzmir International Fair gathers together a variety of consumer and industrial products under one roof.

İzmir International Fair is the oldest tradeshow in Turkey with various products and services. The leading sector at the fair reflects to the theme of the fair and current trends in the industry. Last few years, some of the outstanding sectors at fair were food products, technology and sub industry, automotive sub industry, furniture, decoration, household appliances, white goods, construction machinery, agricultural machinery and electric, electronic, computer, IT, telecommunication.

İzmir International Fair gives a great value to the sector

İzmir International Fair has been at the heart of global and local consumer and industrial products companies for over 83 years. Over that time it has become firmly established as Turkey's leading general trade event. In 84th year, İzmir International Fair continues to get stronger and stronger, attracting the largest number of audience of buyers for various products to the Turkey's trade event.

83rd İzmir International fair hosted Mauritius as partner country, Diyarbakır and Malatya as Guest Cities of Honour.

Last year, İzmir International Fair hosted Mauritius as partner country. Diyarbakır and Malatya have been the other important participation, since they were Guest Cities of Honour, as hub of the many civilizations throughout the history.

This year our main theme of 84th İzmir International Fair is "Education" and partner country is Turkmenistan. We invite you to our 84th İzmir International Fair as an exhibitor and we would like to see you among our professional participants in our prestigious event.
