Significance of Türkiye

WIN EURASIA Automation 2016

Staged from March 17 to 20 Tüyap Fair Convention and Congress Center, WIN EURASIA Automation brings four different trade fairs - Automation, Hydraulic & Pneumatic, Electrotech and Materials Handling - under one roof. During the event where the leading manufacturers of the industry showcase their innovations, visitors will get a chance to reach the entire automation, electric, electronic, hydraulic, pneumatic, materials handling and intralogistics technology chain.

Why you should visit?

- An important opportunity for discovering the leading manufacturers and exporters from all around the world.
- New trends and cost-effective solutions for your industry.
- Global business opportunities and collaborations.
- B2B Meetings to help identify potential business partners.
- Conferences and forums addressing hot topics for innovative business solutions.

Why Turkey?

- Turkey is the 16th largest economy in the world and 6th largest economy compared with the EU.
- Within 4 hours of flying distance, Turkey has access to 1.5 billion customers in Europe, Eurasia, the Middle East and North Africa.
- Istanbul, the largest city of Turkey, constitutes the country's economic, cultural and historical heart. And thanks to its strategic location, is one of the fastest growing metropolitans.
