

ZUCDER'S SUMMIT IN ANTALYA TURKEY

In 2015, ZUCDER has launched a project called "Manufacturers Meet with Buyers ". The project originally intended to bring the Turkish manufacturers together with the Turkish brands in B2B meetings during a weekend in the month of November and at the legendary vacation resort of Belek, Antalya.

In the following years the organization grew in to a summit that expanded its boundries to international levels and it became a yearly traditional event of ZUCDER.

The 6th summit which was held this past November and was attended by over 150 world wide known Turkish manufacturers from all walks of the Turkish housewares industries and more than 40 senior buyers from leading global and domestic chains was a peaking success so far. More than 1,000 B2B meetings were held and many new commercial bonds were established between Turkish manufacturers and buyers .

We would be delighted to see you among us during our 7th summit which is scheduled to be held in Antalya, Turkey between the dates of November 20- 23, 2019.

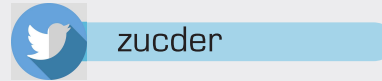

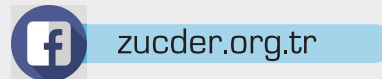

If you are interested in meeting new Turkish Manufacturers and exporters, please see the back page for more information.

ABOUT ZUCDER

Established in 2004, THE HOUSEWARES ASSOCIATION OF TURKEY, -henceforth known as ZUCDER-, is the sole dynamic voice of the housewares industry of Turkey which includes in its structure the porcelain, ceramics table and kitchenware, cookware, plastic and metalwares, giftware, small electrical home appliances domains of our country.

Consisted of over 470 members who are the distinguished manufacturers, exporters, importers, wholesalers, distributors and retailers of the Turkish housewares industry, **ZUCDER, more than an association, is a Civil Organization that functions in spirits and concept of a federation.**

Committed to maximize the success of the housewares industry of Turkey on behalf of its membership, ZUCDER's primary mission is to provide a world-class housewares market for its members; facilitate global commerce and buyer-seller interaction for them; educate and support key constituencies to improve their success; and constantly search for new business horizons and opportunities not only in the domestic arena but around the globe.
