Invitation to 2022 Round-Table Conference of Silk Road International Chambers of Commerce (Xi'an)

We hereby sincerely invite you and your organization to attend the 2022 Round-Table Conference of Silk Road International Chambers of Commerce (Xi'an) which will be held in the manner of online and offline during the Silk Road Expo in Xi'an, Shaanxi. Cooperation projects will be appreciated if you can present them on the Conference. The Round-Table Conference last year was staged as a major event during the Expo with the theme "Strengthening Cooperation in Agricultural Trade to Share Opportunities for Development". It further strengthened the cooperation consensus through in-depth discussions, and set up a platform for Shaanxi and countries and regions supporting the Belt and Road Initiative to launch international agriculture exchanges and cooperation. This year, the Round-Table Conference will feature the theme of "Building a Great and High-quality Land-Sea Trade Corridor Guided by the Principle of Extensive Consultation, Joint Contribution and Shared Benefits" within the framework of co-building an international cooperative platform under the Belt and Road Initiative. It is expected to deepen dialogues and exchanges among chambers of commerce of the

countries and regions along the Belt and Road, launch discussions on deepening cooperation in international logistics innovation, and advance the construction of the international trade corridor. Thus, it can pool efforts from all sides to jointly draw a development blueprint, and achieve common prosperity.

The Sixth Silk Road Expo will be held August 14 to 18, 2022 under the co-sponsorship of the National Development and Reform Commission (NDRC), Ministry of Commerce, All-China Federation of Returned Overseas Chinese, All-China Federation of Industry and Commerce (ACFIC), China Council for the Promotion of International Trade (CCPIT), State Administration for Market Regulation (SAMR) and People's Government of Shaanxi Province. Staged for five years, it has attracted over 180 senior officials, former senior officials, and more than 8,000 business people from over 120 countries and regions around the globe. It has played an important role as a platform to boost the further development of the Belt and Road Initiative, bring benefits to people from countries and regions along the Belt and Road, promote the building of a human community with a shared future, and accelerate the coordinated development among the eastern, middle and western regions. In this manner, it has speeded up the building of the new development paradigm featuring dual circulation, in which domestic and overseas markets reinforce each other, with the domestic market as the mainstay.

Please let us know if you can attend the Round-Table Conference in the manner of online or offline prior to August 3, 2022, so we can arrange activities such as business visit and exchanges, project negotiations and special business promotion according to your requirements.

Looking forward to exchanging opinions with you on cooperation and development in Xi'an, Shaanxi!
